WASHINGTON, D.C. 20410-7000

OFFICE OF THE ASSISTANT SECRETARY  
FOR COMMUNITY PLANNING AND DEVELOPMENT

March 9, 2005

MEMORANDUM FOR: SEE LIST ATTACHED

FROM: Richard J. Kennedy, Director, Office of Block Grant Assistance, DGB

Mary Kolesar, Director, Office of Affordable Housing Programs, DGH

SUBJECT: "Uncapped" Income Limits for 2005

The Quality Housing and Work Responsibility Act of 1998 (Title V of Public Law 105-276) enacted a provision that directed the Department to grant exceptions to at least 10 jurisdictions that are currently "capped" under HUD's low-and moderate-income limits. Under this exception, a total of 75 Community Development Block Grant (CDBG) entitlement grantees and 45 HOME Investment Partnerships (HOME) participating jurisdictions may use "uncapped" income limits that reflect 80 percent of the actual median income for the area. This reflects an increase of seven CDBG grantees from the original 68 CDBG grantees and 66 HOME PJs identified in 1999.

The attachment to this memorandum provides the 2005 "uncapped" income limits for the jurisdictions covered by this exception. The "uncapped" income limits for 2000 – 2005 are also included on the attachment. The highlighted uncapped income limits for the Orange County, San Francisco and San Jose Metropolitan Statistical Areas (MSA) are lower than the normal, formula-based low-income limits. These calculations are described in HUD's FY 2005 Income Limits Briefing Material, which may be obtained at:

Doten@hud.gov](mailto:Robyne.D.Doten@hud.gov) for an explanation of the Income Limits Briefing Material. Please ensure that grantees that choose to use the "uncapped" income limits for some or all of their HOME or CDBG-assisted activities reflect this determination in their Consolidated Plan/Action Plans.

The use of "low-income limits" in the attachment is a reference to the Section 8 low-income limits (i.e., 80 percent of the median income for the area). These are the income limits established by HUD and referred to in the definition of low-and moderate-income person in the CDBG regulations at 24 CFR 570.3, and in the definition of low-income families in the HOME regulations at 24 CFR 92.2.
