

# HUD Thriving Communities

To receive HUD's Thriving Communities technical assistance (TA), jurisdictions must be a unit of general local government that is receiving federal transportation funding (directly or indirectly through the state) and use that funding to support a project that coordinates transportation and housing plans, programs or investments to benefit residents and businesses located in a disadvantaged community.

\* Required

## Jurisdiction Information

### 1. Name of the jurisdiction: \*

Only units of general local government can request TCTA. Individuals and non-profits are not eligible to be TCTA recipients.

### 2. State: \*

Consideration will be given to geographic diversity; we anticipate no more than 5 jurisdictions will be selected from a single state

### 3. Unit of general local government (choose one): \*

- City
- County
- Town
- Township
- Parish
- Village
- Territory
- Tribe
- Other

4. How many people live in your jurisdiction? \*

# Eligibility Check

5. Please describe the project for which you are seeking Thriving Communities technical assistance. \*

Your project should:

- (1) coordinate transportation and housing plans, programs or investments, and
- (2) benefit residents and businesses located in one or more disadvantaged communities.

If more than one project would benefit from Thriving Communities TA, please describe up to 3 and how they relate to each other (250-word maximum per project).

6. If you would like to share additional project documentation with TCTA staff, please email: [thrivingcommunitiesTA@hud.gov](mailto:thrivingcommunitiesTA@hud.gov). Please indicate below whether you sent an email to TCTA staff with more information. \*

- Yes
- No
- Other

7. Describe the area(s) impacted by the project(s) described above. \*

Provide details on geography and demographics, including any underserved populations. (100-word maximum per project)

8. Which of the following TCTA topic areas are you interested in? (Select all that apply) \*

- Identifying and using vacant, abandoned, or underutilized land located on or near transportation projects that is suitable for housing development (including land owned by federal, state, and local governmental entities as well as the private sector) to create location-efficient housing
- Preserving affordable housing and protecting residents and businesses from displacement as new infrastructure is deployed
- Identifying and implementing regulatory and procedural reforms to reduce unnecessary barriers to location-efficient housing that impede housing production and increase development costs
- Improving coordination both among public entities (for example, local housing, transportation, planning, and community development departments) and between public entities and state recipients of infrastructure funding; transit authorities and other quasi-public entities; the private sector; and locally based organizations in ways that support a holistic and regional approach to housing and transportation.

9. If you are selected to receive technical assistance, describe what you would consider a successful outcome of the TA. (250-word maximum) \*

10. Please check which source(s) of DOT funding you have received (allocated directly to the jurisdiction or indirectly through the state) that relates to the project(s) identified in #5: \*

- Areas of Persistent Poverty Program
- Bridge Investment Program
- Capital Investment Grant Program
